We produce Cardboard Packaging almost 50 years

Being one of the leading cardboard packaging manufacturers in Turkey, Görsel Sanatlar Matbaacılık ve Ambalaj was founded in 1977 by Mehmet Ulu. As a result of serving the sector for many years, we have extraordinary knowledge and experience that allows us to quickly adapt to changing conditions over time. Our main goal since the day we were founded is to provide the best service to our customers on time with our sensitive and disciplined business management process that we carry out in accordance with international standards.

Our Advantages

SUSTAINABILITY: The cartons are made from a renewable resource, are compostable and can be easily recycled, reducing production emissions.

COST EFFECTIVE: No matter your sector or business offering, our cost-effective packaging solutions will keep prices to a minimum.

LEAN PRODUCTIONS: We are constantly working to eliminate waste in the production process, which is the basic idea of lean production.

ON TIME DELIVERY: We do on-time delivery by measuring the delivery performance and supply chain efficiency in our organization.

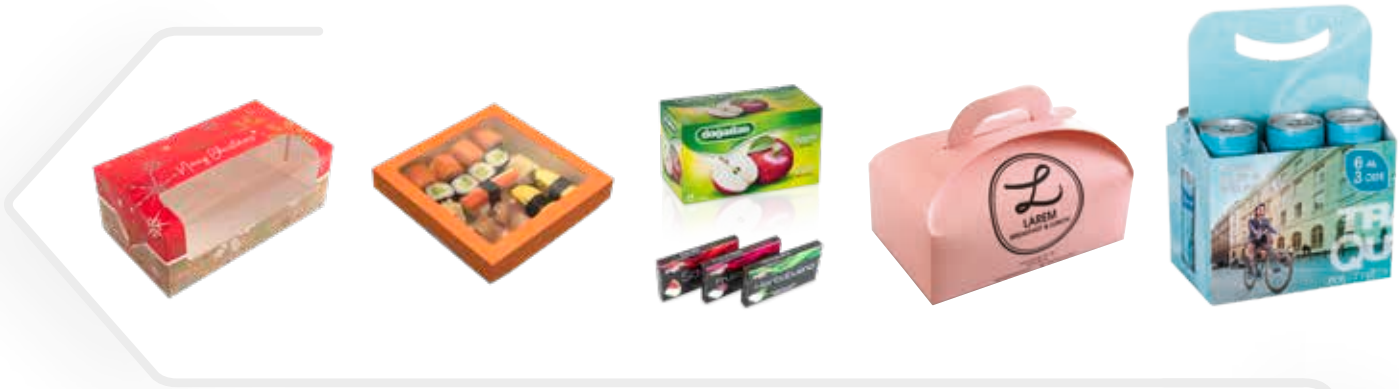

Product-specific cardboard packaging solutions for all food and non-food sectors:

*Confectionery *Chocolate *Nuts *Biscuits *Frozen Food *Ready Food *Bakery Products *Tea and Coffee *Beverage *Ready Meals *Medicine *OTC products *Medical Supplies *Hygiene *Personal Care *Cosmetics *Fast Moving Consumer Goods (FMCG) products *Toys *Stationery *Textile *Industrial products and all sectors that need cardboard packaging.
